The yellow journals have killed ALCALDIA again some more, but it is feared he will not stay dead.

If the Democratic party is reorganized, Mr. Bryan will most likely be the head and tail of the thing, Bryanism making up the middle.

With the election over and four more years of prosperity assured, THE LEADER will for some time devote more space to news and less to politics.

At the recent election 1,049,121 votes were cast in Ohio, and ECKEN DENS got just 4,815 of them. That is, there's only one fool to every two hundred-and-odd voters in that state.

OOM PAUL KRUGER has been telling the electric Frenchmen that the Boers will fight until the last woman and child is killed. The world heard just such boasts from a few hot-headed people in this country some forty years ago.

MR. BRYAN says he still believes in the principles set forth in the Chicago platform, and that he "will continue to defend them, believing the American people will yet see the necessity for the repudiation of Republicanism." Well, WILLIE, it doesn't look very much like they were going to substitute Bryanism for it, anyway.

CIGARETTES MUST GO. An order has gone from the American Tobacco Company to all dealers in the state of Iowa to at once ship out of the state their entire stock of cigarettes and cigarette paper. The order is in conformity to a recent decision of the United States Supreme Court.

Cigarette smoking is also forbidden in many of the offices of the City Hall in Cincinnati, and several of the big railway companies will not employ persons who use the offensive things. Coming nearer home, a number of Mayville dealers will discontinue their sale at the beginning of the new year.

The cigarette must go.

All new novelties in Millinery at Mrs. L. V. Davis.

**HOW IT SPREADS.**

People Are Talking All Over Mayville. This Report Comes From East Fourth Street.

How it spreads. Can't you see a "good thing" down. Ever notice how "good things are limited"? Better the article, more imitators. Fortunately the people have a safeguard. Praise can't be limited. And true praise takes root and spreads. Claim is one thing, proof another. Claim is what the manufacturer says. Proof is what the people say. Mayville people say Doan's Kidney Pills cure sick kidneys. Cure all kidney ills. Hundreds of citizens testify to this. Here is a case in point: Mrs. Mary Kinler of 202 East Fourth street says: "I sent a box of Doan's Kidney Pills obtained at J. Jas. Wood & Son's Drugstore, corner of West Second and Market streets, to a relative living in the country who was much troubled with kidney complaint. The results obtained from Doan's Kidney Pills show that only terms of highest praise express the great curative properties of the medicine." For sale by all dealers; price 50 cents a box. For sale by J. Jas. Wood & Son, Buffalo, N. Y., Sole Agents for the United States. Remember the name—DOAN'S—and take no substitute.

**Useful Household Articles**

The attention of every housekeeper in this section is called to the articles named below, all of which are used almost every day in the year. They are the best that can be bought anywhere, and when the Frank Owens Hardware Co. recommends an article you know it's the best that money will buy:

**Universal Food Choppers**  
**Enterprise Meat Cutters**  
**Enterprise Card Presses**  
**Butcher Knives,**  
**Fire Shovels, Pokers,**  
**Claws, Fire Guards,**  
**Scoop Shovels,**  
**Axes and Axhandles.**

The prices are too low to mention in print—there are no figures small enough to fit the prices we have marked on them. But the smallness of the price does not diminish the value of the article at all.

**A DELUGE.**

Rain has been falling incessantly in Central Kentucky since Tuesday night.

Frankfort, Ky., Nov. 26.—Central Kentucky is being deluged by the heaviest rains in years, which began Tuesday night and have fallen continuously since. Thousands of dollars damage have been done to lumber men between here and Beattyville in logs which have been washed out of sections. Great damage has also been done to farm products. The Kentucky rivers here are rising six inches an hour and small streams have even out their banks for two days past.

**EDMUND BACON DEAD.**

The Retired Banker Expired at His Home in Lexington, Ky., of Heart Affection.

Lexington, Ky., Nov. 26.—Edmund Bacon, aged 79, a retired banker, father of Edward Bacon, a C. P. A., of a local bank, died at home here Sunday of heart affection. As a young man and when traveling with China was hazardous, he was for five years a super cargo on an East India Co. sailing vessel plying between New York and Chinese ports. The grandfather was F. Bacon, assistant secretary of the treasury during the revolutionary war, and his signature was on the first paper money issued.

**Cattleman Acquitted.**

Warsaw, Ky., Nov. 26.—In the Galatin circuit court W. J. Castleman was acquitted by a jury for killing Dr. G. W. Farrel about a year ago at Glencoe, this county. The two men were playing croquet and got into a trifling dispute, in which the latter was wounded, and Castleman struck Farrel on the head with a croquet mallet as Farrel was advancing on him, producing concussion of the brain and almost instant death.

**Lumber Wagon Wrecked.**

Lexington, Ky., Nov. 26.—A lumber wagon from real house No. 1 was responding to an alarm of fire Sunday night and in crossing the C. & O. railroad track it was run into and wrecked by a switch engine. Fire Chief Mier was caught in the wreck and is now in a hospital seriously injured. Fireman McMurtry was badly bruised. Others on the wagon had a narrow escape.

**Six Inches an Hour.**

Frankfort, Ky., Nov. 26.—Although a rise of 16 feet is reported from Beattyville, there is so far no apprehension of a flood at this point. The river here is rising at the rate of six inches an hour. Mill men have lost hundreds of logs, and in the adjacent country great havoc has been done.

**Died in a Stable.**

**Kentucky State Champions.**

Richmond, Ky., Nov. 26.—Central university defeated State college here, winning the state championship by a score of 11 to 0.

**Pittsburgh Coal Coming.**

Pittsburgh, Pa., Nov. 26.—The Ohio river at the dam Sunday night was 14 feet and rising rapidly. By Monday 14 feet or more is expected, and 5,000,000 bushels of coal will be shipped to southern points. The Consolidated Coal Co. has arranged for every boat in the port, 23 in number, to go out on the rise, and the boats coming up with supplies will be returned as rapidly as possible until the 30,000,000 bushels now loaded are on their way south.

**A Dangerous Walk.**

Chicago, Nov. 26.—Along a narrow stone ledge, 30 feet from the ground, coasting to the glory of her father's residence with that of a neighbor, Miss Jennie Youngfellow walked early Sunday morning and gave the alarm that a burglar was at work in her home. A squad of policemen responded to a telephone call, but the intruder, after frightening Miss Youngfellow's mother into hysterics, escaped.
